

The diagram illustrates the layout of a 100 x 100 mm sign. It features three concentric rectangular frames. The outermost frame is a solid magenta line, representing the trim. The middle frame is a dashed cyan line, representing the safe zone. The innermost frame is a dashed red line, representing the bleed area. The text is centered within the safe zone.

Schildwerk 100 × 100 mm
Anschnitt / bleed 3 mm (rot / red)
Schnittkante / trim (magenta)
Sicherheitsabstand / safe zone 5 mm (cyan)
PDF/X-4 mit Anschnitt / with bleed
